

About us

Impact Hub Inverness, which is the trading name of HISEZ CIC, supports the start-up and growth of social enterprises and SMEs in the Highlands and Islands. HISEZ CIC was established at the end of 2003 and since then has delivered business support services for the third sector, under contracts for the Scottish Government (including the current [Just Enterprise](#) business support programme) and others. As part of the global Impact Hub network, we also provide a co-working space and a suite of services designed to foster economic growth, sustainability and social impact within communities.

What we are looking for: An experienced business adviser

Hours and Location: Full-time, 35 hours a week (though part-time/job share will be considered), based in our Castle Street office. Some travel will also be required, mainly in the Highlands and Islands.

Salary and benefits: £34,964.20 pa. plus 8% employer pension contribution, 25 days annual leave, plus 10 public holidays a year

Duration: This is a permanent post and is subject to an initial 6-month probationary period.

Responsible to: CEO

Purpose of the role:

- To provide competent, informed and relevant business advice to social enterprises and other third-sector organisations.
- To maintain a thorough understanding of the operating environment and its likely impacts, positive or negative, on the sector.
- To contribute to the running of the coworking space in Castle Street.

Key tasks

- Business adviser delivering business support services for the Just Enterprise contract. This is often done jointly with a colleague.
- Contribute to the delivery of smaller contracts secured, for instance, helping with community consultation, options appraisals, feasibility studies and business plans.
- Representing the company at events on an occasional basis to promote the Just Enterprise contract and the other services we deliver.
- Provide support in the office for hosting of the space when needed – eg helping to set up meeting rooms, responding to the public and members' enquiries.

- To provide 1-2-1 business advice to third sector and community organisations, often remotely but sometimes in person, which involves travel.
- Contribute to the development and delivery of workshops for the Just Enterprise contract and other clients.
- Delivery of the organisation’s consultancy and contract work

Person specification

- Business experience, ideally in the social enterprise sector
- A strong understanding of how community and social enterprises operate
- Good understanding of business planning and business processes
- Strong numerical skills
- Team player but also able to work alone
- Good communication skills – written and oral
- IT competent, especially Word, Excel, PowerPoint etc.
- Educated to higher or further education level (business degree *not* essential)
- Full UK driver’s licence
